ABOUT ME

I am a Swedish composer currently living in Tallinn, Estonia. I write both acoustic and electronic music as well as arrangements. I also enjoy combining acoustic instruments with electronic sounds. My music is typically fairly accessible and more or less tonal in nature. I've worked extensively with both professionals and amateurs, especially in my music for the church which I find very meaningful.

HIGHLIGHTS

The Salvation Army Band 125 year anniversary - Brass band (extended)

Uniting Church 100 year choir anniversary - Mass for choir & orchestra
